

## **Important Notice**

### **Trash Disposal Company Change**

Since Red River Waste Solutions, L.P., no longer provides service in our area, we have secured the services of Superior Disposal. Superior will provide the same trash pick-up schedule on Monday and Thursday. Garbage must be bagged and tied and out before 6 AM on the day of service. Please limit bag weight to 35 lbs. All cardboard boxes must be flattened.

Superior Disposal will begin its regular service on Thursday, Oct. 3rd. The company will also provide a receptacle for pick-up at the RP1 Clubhouse.
